****FRIDAY 23rd JULY: CHAIRMAN'S XI v THE PARALYTICS****

****Additional 'Cricket Week' Fixture: Start 11.30am****

****Bar open 11.00am****

ANOTHER 20 POINTS AS SPIN RULES THE DAY

SUTTON VICTORS BY CONVINCING 5-WICKETS.

**Saturday July 10th 2021: Camberley CC 1st XI v Sutton CC 1st XI at Upper Verran Road.
Match reduced to 31-overs each as start is delayed to 2.45pm.**

Camberley CC: 156-8 off 31 overs (2 bonus points, 1 batting; 1 bowling.)

Sutton CC: 159-5 off 28.4 overs, (20 points.)

With a wicket, you can have the best covers in the world, but if the outfield has taken in too much rain, there is nothing yet invented to stop the water table rising through the soil structure. As you would have thought, concern of the harm that persistent overnight and morning downpours at Upper Verran Road might have caused, was uppermost on players on and officials minds as they journeyed to Camberley, Saturday morning.

As luck would have it, Camberley's ground is one the better draining venues and once the rain eventually stopped, the umpires got the game on; albeit 2¾ hours later than the scheduled start time of 12.00pm, and with reduced overs of 31 each. The hosts won the toss and elected to bat first, on a wicket that looked it

might turn out useful to Sutton's opening bowlers.

However, the early overs proved more fruitful for the hosts. Although trying to make allowances for the ball's movement caused by the cloudy and muggy overhead conditions, Sam Blake, (4-1-20-0) Connor Griffin, (4-0-22-0) and first change Rehan Ratna, (4-0-32-0) found it difficult to establish their usual control. By the end of the 15th over, Camberley's openers had progressed to 80-0; Trevor McGeer 39no and skipper James Crosthwaite 35no. At a rate of 5.33 an over, it was the batsmen who had control of the game.

An abrupt halt came to Camberley's impressive start once the left-arm spin of Dane Currency entered the fray. A nicely flighted ball in the 16th over completely deceived McGeer, who was bowled for 39, leaving the host's standing at 81-1. The run rate was maintained as Crosthwaite, joined by Todd Hutcheson, opened-up a tad. The pair moved on to 123 runs by the end of the 24th over, before, off the bowling of Aneesh Jhalla, Fabian Cowdrey, round about square-leg, grabbed a superb running catch over his shoulder, to dismiss Crosthwaite, gone for a neatly made 69.

The hosts could only manage another 33 runs during the final seven of their allotted 31 overs. They would find a few runs, and then another wicket would fall as Currency (7-0-23-4) and Jhalla's left-arm spin (6-1-27-3) left the batsman perplexed. Currency's caught and bowled to sack the hard-hitting Kyle Philander for 13, was special. The ball was hit hard and fast by the batsman, but somehow Currency grabbed it and held it tightly to his chest. A great catch. .

Seadon (6-1-26-1) with his right-arm medium pace also helped subdue Camberley's intent, and was the only other wicket-taker on the day, as Camberley ended their 31 over innings at 156 for 8.

Umpire Dave Walter was replaced, due to injury, by father of the brothers Blake, Chris Blake, who stood at square for all of the Sutton innings. Well played Chris. Thank you for helping out.

Aside from losing Seadon early on, caught behind in the 4th over by keeper Crosthwaite, off Max Carter for 8, the visitor's response to Camberley's total was solid and good to watch. Skipper Smith continued his good form with 37 runs off 45 balls. Josh Blake a nice, smooth 45 off 56. Cowdrey, with 28 off 25, and Dan Edwards, 31 off 22, just smack the ball. Etinda Bopara hit a winning boundary, ending 6no, as Sutton surpassed the target, finishing 159-5. Let's hope Sutton can continue their winning ways this coming Saturday. AJ Fordham Surrey Championship review: Week 10

Richard Spillers reports on the main Surrey Championship 1st Division action.

Malden Wanderers and Sutton are a point apart at the top of Division One after deepening the woes of the bottom pair.

Wanderers had an unbeaten 119 from run machine Zac Elkin to thank for heading their charge to 231-6 at Chipstead, Coulsdon & Walcountians, Pete Young's 6-27 dispatching the hosts for 78.

Basement boys Camberley's 156-8 from 31 overs was overhauled by Sutton with five wickets and 2.2 overs to spare, Josh Blake making 45.

Early pacesetters Spencer fell to their second defeat in nine days, their 219-9 seemingly enough until last pair Angus Boobyer and Sam Bodoano nipped past it from the final ball of the game.

Guildford moved back into fourth place, overcoming Beddington by 11 runs, a low-scoring but gripping contest at Woodbridge Road.

Sutton Cricket Club 10th/11th July Round Up!

The 1st XI, belatedly, won at Camberley by 5 wickets. Mike Woods' match report is here: www.thethirdman.uk

The 2nd XI lost a very watchable game at Cheam Road against Walton on Thames by 9 runs. Having restricted Walton to 184 in exactly 55 overs, Sutton's batting line up looked more than capable of the win. However, when Sam Woods fell for 45, Walton sensed a chance, especially with skipper, Jamie Griffin injured and batting at nine. He and Dylan Paskaran batted well to get their team close but Paskaran was out to a fine catch.

The 3rd XI game was hit by a Covid outbreak at Cheam CC who were forced to isolate.

The 4th XI picked up 30 points as Horsley and Send could not field a team.

On Sunday, there was an entertaining win by 48 runs against Viscount. Rehan Ratna hit a fine 90 and Aarav Rajnikanth 58 as Sutton totalled 206 for 4 in 40 overs. The visitors top order looked strong but Ratna, with 3 for 5 put paid to any hopes of reaching the target.

Sutton Ladies won at top of the table Richmond by 7 wickets with Eleanor Waite (62) and Rebecca Denman (50) scoring their maiden half centuries for the club.

Contributed by @SurreyWyvern with thanks.

The History of Chipstead Coulsdon & Walcountians Cricket Club
The following article is taken from **The Surrey Championship Year Book 1998**
CHIPSTEAD & COULSDON CRICKET CLUB by Roger C Packham

Before the present Chipstead - Coulsdon & Walcountians Club's foundation in 2004, it was generally accepted that the old Chipstead Cricket Club commenced in 1860, and a Centenary Year was celebrated in 1960 which culminated in a fondly recalled visit from the MCC. The club's collection of score-books dates from 1880. Fixture cards from 1895, and minute books from 1907. There is a note in the archives to the effect that the 1860 date formalised an already established custom, when the estate workers from Shabden Park (the country house opposite the present ground) were treated to a barrel of beer and organised cricket by an enlightened Squire. In 1862 the Surrey professional Fred Caesar, was engaged to play.

Cricket, 'though, was well known in Chipstead throughout the 19th century, and the earliest reference is to a match in 1800 against Caterham on Caterham Common. The 150th anniversary of this match was celebrated at Queen's Park, Caterham on June 17th 1950 when Tom Sheldon, a prolific wicket-taker for Chipstead from 1880 to 1939, bowled the first ball - thus enabling him to claim a playing association of 70 years.

The various pre-1860 matches involving Chipstead which so far have been discovered were frequently against Merstham and Caterham, and the early home matches were played on the Green in front of the ancient St Margaret's Church. The Victoria County History adds that "the Church itself was used as a pavilion where beer and bread and cheese could be had by the players". It is also said the matches were "notched on the edge of the altar". As recently as 1936 an obituary of the Chipstead blacksmith, William Shurman, who was born at Mugswell in 1849, stated that his passing severed a link with the old Chipstead cricket when matches were played on the Church Green.

Once the present ground was established opposite Shabden Park, possibly in 1860, fixtures became regularised and the club enjoyed a golden era in the 1890s when the MCC visited with strong teams. In 1893 Chipstead won the fixture by 27 runs, and in 1895 and 1896 W. Roffey had the satisfaction of scoring 118 and 75 for the home side. In the latter year the MCC included John Shuter, the famous Surrey captain from 1880-1893.

The First World War hit the club grievously, and many playing members are recorded on the Church Green war memorial.

Lord Marshall, President of the club from 1913 to 1936, proved to be a wonderful benefactor during his residence at Shabden Park (1910-1936). and in 1927 the club's AGM at Peter Aubertin Hall placed on record "its great appreciation of the generosity of the Right Hon. Lord Marshall in providing the club with the handsome pavilion for the use of its members". Until quite recently this pavilion stood in the south-east corner of the ground.

There are memories of the occupation and participation of the Canadian soldiers during the last War, after which the club continued with two Saturday XIs, resisting the call for Sunday cricket until 1966.

It was decided in about 1973 that a small nucleus of distinctly useful cricketers needed some reinforcement, and so it was that on the 1st January 1974 Chipstead & Coulsdon Cricket Club was formed by a merger of Chipstead Cricket Club and East Coulsdon Cricket Club.

The East Coulsdon Club was formed in 1947, on the wave of post-war enthusiasm by members of the East Coulsdon Residents Association; in 26 years they had produced some good local players, many of whom were to contribute significantly to the new club. Based at Marlpit Lane, Coulsdon, East Coulsdon Cricket Club were dependant on the local Council for facilities and maintenance, and had raised funds to acquire it's own private ground at Netherne.

(...continued on page 5)

(...continued from page 4)

However, when the invitation from Chipstead Cricket Club was received in 1973, Special General Meetings of both clubs were held and the merger agreed. The 'park team' injected playing strength, enthusiasm and funds to supplement the old Chipstead Club at one of Surrey's loveliest grounds.

Old Walcountians CC was formed in 1946 by former pupils and teachers of Wallington County Grammar School for Boys.

It was initially a wandering side, subsequently playing home fixtures at the school and additional facilities at the Paynes Poppetts ground, and finally moving to the present ground at 'Clockhouse' in 1964. Members laid out the grounds and built the clubhouse at this time.

OWCC were founder members of the Surrey Slazenger League in the mid-70's, and in the mid-80's were invited to join the new 3rd Division of the Surrey Championship. Recently, mainly lack of player numbers has led to relegation to the Surrey County Fullers League. Four years ago the club the Fullers Old Boys Sunday League, a limited over competition comprising of 10 sides and including Old Emanuel, Whits and Mid-wives.

The amalgamation has been a great success, and there are still many players and officials whose association with the clubs pre-date the merger of 24 years ago. This era has coincided with the acceptance of league cricket and, after successful spells in the South West London League and Surrey County League (champions in 1986), the club was invited to join the Surrey Championship in 1988.

There have been many excellent cricketers through the years, and to maintain standards the club believes a youth policy is essential. In recent years it has nurtured and encouraged young cricketers, and currently has some 80 colts under it's wing, who enjoy weekly coaching and practice and play competitive matches at under-13, under-15 and under-16 years of age. The under-15 side won the East Surrey Colt's League Cup in 1996 and again in 1997. Many colts have become senior players with the club. David Ward and Nicholas Falkner were Chipstead colts and both went on to play the professional game with the County, Nick also playing for Sussex.

In addition to three league teams, the club runs a Saturday 4th /5th XI, two/three Sunday teams and enjoys midweek fixtures.

Sutton CC CRICKET WEEK

When

**Monday July 26th to Friday 30th
July 2021.....extra fixture
Friday 23rd July!**

The week begins on the Monday when the Club meets its biennial challenge from the Marylebone Cricket Club, (MCC).

This year we have an added attraction leading into Cricket Week. On the Friday preceding, 23rd July, a Chairman's XI will lock horns with 'The Paralytcs,' a wandering club who, forever and a day, have traditionally helped us celebrate the conclusion of our Cricket Week in the most convivial style!

This year, however, we had a fixture 'clash', and were thus, unable to arrange the customary 'Para's' ending to our Cricket Week. So make a date for next Friday; it's always a good day. The game starts at 11.30am and the Club Bar opens at 11.00am.

The full Cricket Week schedule is detailed in the panel opposite.

For those of all ages new to the Club, we appreciate it all sounds a bit overwhelming; but.....Cricket Week is literally, a week of cricket; which this year starts on Monday July 26th and concludes on Friday July 30th.

Sandwiched between two full weekends of fixtures, playing members are invited to take part in matches against a variety of teams, one match for each of the five days; with all opponents providing a varied yet balanced standard of game.

Each team is managed by a senior Club member; teams are organised to even up experience and skills; and umpiring and scoring carried-out by experienced Club devotees. Matches include games versus one or two traditional Cricket Week rivals.

SCHEDULE:

FRIDAY 23rd JULY: CHAIRMANS XI vs. THE PARALYTICS 11.30AM. Bar opens at 11.00am.

Monday: SCC 1st vs. MCC 11.30am. Bar opens at 11.00am.

Tuesday: SCC U19s vs. Reigate Priory CC U19s 5.30pm. Bar opens at 5.00pm.

Wednesday: SCC Women vs. Dulwich CC Women 5.30pm. Bar opens at 5.00pm.

Thursday: SCC U21s vs. Bromley CC U21s 11.30am. Bar opens at 11.00am.

Friday: SCC Club XI vs. Sam Seadog's XI 11.30am. Bar opens at 11.00am.

LUNCH IS SERVED!

If you would like to partake in lunch at the MCC game on Monday 26th July, please contact Peter Edwards at: cricket@suttoncricketclub.com before Mon 19th July.

Come along to watch our various XIs, whilst taking in some glorious English summer weather (we hope!) and enjoy a drink from the bar. We look forward to seeing you sometime during our 2021 Cricket Week!

CRICKET WEEK WEATHER FORECAST

SCORCHIO

The Cricket Club is introducing a new Gold Membership category

This category is aimed at members who may own or manage a local business, who wish to support the club whilst enhancing awareness of their business. For the discounted rate of £850 per year or £1450 for two years (subject to committee approval) you can become a Gold Member.

This membership entitles you to the following:

- ◆ Car Park advertising: The opportunity to advertise your business on a car park facing 2x1metreadvertising board, for a period of one or two years (a small extra charge may be incurred if you don't have a high resolution print image ready). See the sample board below for an example.
- ◆ An email announcing your partnership with the club sent to all members, and a partnership announcement on our Instagram (700+ followers), Facebook (550+ followers) and Twitter (2550+ followers) pages.
- ◆ 5 social memberships (non-voting).

The advertising boards will be seen by a regular throughput of circa 1500 Welcome Gym members, plus the usual heavy cricketing traffic. Many car park users are residents with a genuine demand for local services. The social memberships in the package will also enable Gold members to benefit from discounted bar and room hire prices plus a free of charge logo with a direct link on an advertiser's page on our website.

The initial offering of this package will be exclusive to club members until May 31st, 2021, after which time any remaining slots will be offered for wider sale. If you are interested in promoting your business or workplace and supporting the development of Sutton Cricket Club please contact Sam Griffin on 07539068406, or emailsuttonccadvertising@outlook.com.
